

# PRQG 2024 Retreat Challenge

We'll be making **patriotic Community Quilts for veterans** from our Retreat Challenge blocks!!

The better our attendance, the more quilts we can make!!!

So, the challenge is simple . . .

- Use your creativity to make a 10.5" **UN**finished block in patriotic colors.  
*(Block will be 10" in the finished quilt.)*
- Must use a recognizable piece of the challenge fabric.  
*(Challenge fabric will be in your packet.)*

Viewers' Choice . . .

- Retreat attendees will vote on their favorite block.
- Results will be tallied and the top 3 announced the second night of Retreat.
- We are hopeful the winners will participate in assembling and quilting a quilt. They will get first choice of which blocks they want to use. We will have enough blocks to make more than 3 quilts, so any attendee who offers to assemble a quilt from the challenge blocks will receive credit for his/her annual Community Quilt. Batting will be provided plus fabrics for borders, backing and binding.
