

Peace River Quilters' Guild, Inc 2024 Spring Challenge

The Spring Challenge for 2024 is to create a quilted article which showcases things that remind you of your “HOME” state. The article you create must include an image of your home state in any quilting method you prefer: appliqué, embroidery, English paper pieced, paper pieced or regular piecing techniques. You will be provided a “heart” button which you must use

on your article.

We all know that: Home is where your  is

The Peace River Quilters' Guild consists of many members who come from somewhere other than Florida and some members may be “true” Floridians. When new members join the guild, they often share where they are originally from. This challenge is meant to engage as many members to see how many of the 50 states we can represent. If you are from another country, you too can represent in this challenge!

On the day of the reveal, you can wear an article of clothing or item that depicts your state or something that others will be able to recognize your state. A sign-up sheet will be available and your article must be ready by March 15, 2024.

Please limit the size of your creative work to no bigger than a throw quilt.
