

## EMBROIDERY CUTWORK MAGIC

VERA HEINER AND GLENDA HALL

Wednesday January 24, 2018 9:00 a.m. – 3:30 p.m.

Remember to bring your own lunch and beverage in a covered container.

Come learn the magic and beauty that is embroidery cutwork. If you have an embroidery machine, and know how to use it, we will create a beautiful item of your choice with a lovely cutwork daylily design.

We made a sweet linen table runner, but if you have had your fill of table runners, please feel free to bring a pre-made item of your choice such as a blouse, skirt, pants, or jacket. You will need to bring:

- Fabric for table runner. 15" x width of fabric, or less for a topper
- Alternatively, a pre made clothing item
- Embroidery machine and embroidery arm and power cord
- 5x7 hoop or larger
- Stabilizer (magic stick or wash away) plus some tear-away to float
- Curved embroidery scissors for trimming
- Threads to match or contrast with your fabric
- Normal sewing supplies.

Come join the fun January 24th, and walk away with a beautiful cutwork project.
