

T-SHIRT QUILTS

PART 2—OCTOBER 19, 2018

Front of Quilt

Back of Quilt

Introduction

This is the 2nd part of 2 classes that teach you how to make a t-shirt quilt from your old t-shirts, dress shirts, jerseys, baby clothes and will concentrate on assembling, sewing, batting, backing, and quilting your quilt blocks.

Supply List

All of the blocks for your t-shirt quilt should be cut and laid out for your quilt. For this class, please bring the following:

- Flannel backed table cloth or large piece of batting that you used as a design wall for your quilt with your blocks attached.
- Sewing machine in good working order—make sure you machine bobbin area is clean, your needle is new and the machine is ready to sew.
- 1/4" foot if you use one

(Continued on page 2)

T-SHIRT QUILTS

PART 2—OCTOBER 19, 2018

(Continued from page 1)

- Accompanying thread and bobbin plus bring a contrasting thread for a colorful option
- Discarded pieces of t-shirts to use for the back of your quilt.
- Straight pins
- Bring extra needles in the event of a breakage
- Don't forget to bring a trash bag for thread and fabric scraps in your working area
- To complete your quilt, you will need batting, backing, binding. You will probably not get to this point in the class, so you will not have to bring them to class, but we will discuss your various options.
