

Beginner Paper Piecing Class (Judy Whittaker)

Date: Wednesday, September 11, 2019

Time: 9:30 a.m. (arrive at 9 a.m. to set up) - 2 p.m.

Supply List:

- * one 12" Add-a-Quarter Ruler OR Add-a Quarter Plus Ruler (if you have the 6" one already, that will work)
- * one postcard (at least 6" in length) OR one cardstock advertising piece of (junk)mail (at least 6" in length)
- * any item that flattens seams (e.g., hardwood craft roller, wallpaper seam roller, mini iron, finger presser)
- * open-toe foot for sewing machine
- * 90/14 sewing machine needles (80/12 will work, but 90/14 is preferred)
- * 50-weight cotton thread - neutral color (NO 100% polyester thread...it can melt!!!)
- * pins (the thinner, the better; flexible thin silk pins are ideal)
- * rotary cutter (preferably 28mm or 45mm)
- * acrylic square ruler no smaller than 9" by 9"
- * fabric scissors
- * paper scissors (the longer, the better)
- * pen or pencil
- * glue stick (washable)
- * seam ripper
- * \$4 for kit you will receive in class

Extremely helpful if you own these:

- * small cutting mat to place next to your machine (our guild has large ones to be shared; however, it would be really helpful if each person has one (I have an 8" by 11" one that I love)
- * if using a mini iron: small pressing mat to place next to your machine
- * if using a Clover mini iron: a sturdy ceramic mug to hold the hot iron

More on next page!!! 

Don't forget the usual:

- * sewing machine (with foot pedal and electric cord if your machine needs these!)
- * sewing machine extension table (not essential but very helpful)
- * sewing machine manual (if new to your machine)
- * extension cord (our guild has a limited number of these)

Fabric:

- * ½ yard non-directional sky fabric OR blue fabric for sky
- * ¼ yard (fat quarter on width-of-fabric) white fabric for sails (e.g., tone-on-tone, marbled, white fabric with tiny other color accent colors)
- * colorful fabric scraps for mast, boat, accent sails, flags
- * ½ yard fabric for sashing and backing (to finish wall hanging at home)

(patterns will be provided as part of your kit; permission to copy from www.piecebynumber.com)
