

GYLEEN FITZGERALD
SATURDAY MARCH 14, 2020 9:00 A.M. - 3:30 P.M.
Sunny Side Up - Full Day Workshop (Using Polygon Tools) **REGISTRATION FEE \$35**

Description: A field of sunflowers just makes you happy. Recreate your favorite sunflowers or imagine electric new varieties. Sunny Side Up cleverly uses two sizes of kite polygon cut from 3" and 5½" strips. You will learn how to construct a perfect "Crisscross" and "Butterfly Seam" for effortless stitching. It's so easy...you'll fall in love.

Fabric Requirements:

- (6) 18" x 22" assorted fabric, petal (large kite)
- (13) 3" x 40" assorted fabric, petal (small kite)
- (8) 18" x 22" assorted fabric, center (house) and petal (house)
- ½ yard green for leaves (small kite)
- ½ yard, background 1, accent (small kite)
- 4½ yards, background 2 (large kite)

**KIT FEE = \$25
FOR POLYGON TOOL
AND PATTERN**

Large petals and background 2 uses 4½" strips; small petals, center, leaves and background 1 (accent) use 3" strips. To just learn the technique, bring minimum of (6) fabrics, one for each area, to the workshop.

* **Special Tools:** Gyleen's Polygon3 Tool (\$15) **MUST PURCHASE AT CLASS**

* **Instructions:** Pattern (\$10) **MUST PURCHASE AT CLASS**

General Supplies:

Sewing machine with manual (are machines provided?); ¼" foot without edge guide (if possible); (2) thread colors, one for the top and another in the bobbin and that is visible on the wrong side of fabric; seam ripper; thread snips; rotary cutter, ruler and mat; extension cord; straight pins; finger pressing tool; and batting to use as a design wall (optional).

Gyleen's thoughts: Bright and bold is how I color sunflowers. I made mine scrappy with an assortment of Fat Quarters and 3" strips. I wanted to build in as much text as possible instead of playing it safe, hence I used stripes, Aboriginal, South African and floral prints. My background is a bold "bee" print.
