Fabric Selection:

When you are selecting fabric, remember that this purse is cut on the cross grain. If you are using directional fabric your print may be on its side rather than upright. (Stand the fabric bolt on end...if the print is upright, it will be upright on the purse.)

Supplies needed for the class:

- 1 yd fabric for purse
- 8 ½" x 18" of contrasting fabric if you plan to use two fabrics (this will be enough to use for the inside pockets)
- 5" – 14" or longer **polyester** zippers (not metal, not invisible or sport zippers)
- 10" x 20" piece of thin fusible batting
- thread to match fabric
- rotary cutter and mat

- zipper foot
- sewing machine and sewing materials (seam ripper, scissors, pins, etc.)
- utility scissors for cutting zippers
- Elmer's Disappearing Purple School Glue Stick

- Pattern - \$8 pattern will be emailed upon receipt of \$8 check payable to JoAnn Burtscher.
