

## You've inspired us!!

Have you enjoyed the 10 day 10 Quilt Challenge on our facebook page? It has been a pleasure and helped us keep in touch by seeing our friends' beautiful quilts every day. Our passion for our quilts has helped us stay connected. It has been decided to continue our wonderful sharing by creating a **Peace River Guild quilt calendar** which we will publish for all members to purchase. Think about the quilts you thought about sharing online. Which is your favorite? Which makes you smile? Which one would photograph well and dazzle us for a month? It can be a new quilt, or an old quilt. It can be a prize winner or not. It can be your favorite or your comfort quilt. Maybe it's the quilt that makes you happy. The choice will be yours.

We will publish guidelines for submitting one quilt photo each to be included in the calendar. Those not on a month will be in a photo montage in the calendar.

Calendars will be ready to purchase in late fall in time for holiday shopping. Any money earned from the sale will go toward guild expenses. Check the newsletter, broadcasts, the web site and facebook for more details on how to submit your quilt as they become available.

### Peace River Quilters Guild 2021-22 Calendar

It's time to enter your favorite quilt to be in our calendar.

Here's how to do it: This 13-month calendar is being created for our members to share our passion and stay connected. There are no judges, only quilters who love your work. We welcome all levels, from beginners to advanced, to share their wonderful quilts with all of us.

Choose one quilt. No pets or people please. Look for good contrast of colors and a good view of a pattern. Take a good picture of the whole quilt. 10 a.m. to 2 p.m. is when you'll have the best outside light with fewer shadows.

Save the picture as a .jpeg with a resolution of 300. If you're not sure about the resolution, let Nancy know and she will try to get it there.

Include your name and the name of the quilt.

Email it to Nancy Reester by July 31, 2020.
