

2020 SPRING CHALLENGE UPDATE!

It's time to view and vote for a winner! We want to see those wonderful table toppers or runners that many of you made for the challenge normally revealed at our canceled spring luncheon.

For those of you who made a table runner or topper celebrating something that happens/happened during the month of your birth, email the following to jude33@mac.com **by Monday, June 29**:

- One photo of your table runner or topper
- Your first and last name
- The name of the special day that your item celebrates (Examples of titles: National Cupcake Day; Thanksgiving; First Day of Winter; National Hug Your Cat Day; My Birthday; National Umbrella Day)

You do not need to include the specific day/month of your birthday. That may be revealed if requested after voting is completed. (*Voting details in last paragraph!*)

Once you send the email, you have the following options:

- Keep your runner/topper
- Give it to a loved one
- Hold on to it until our guild can meet in person again where they will be collected and donated to a local food/meals program
- Donate your project to the Boutique Committee

All of the photos (along with the name of the special day/event/season) will be placed in a document where one can “ooooo” and “ahhhh” over each quilted item. This document will be broadcast via email to each member during the first week in July. Accompanying this document will be instructions on how you are to vote for your favorite table runner or topper.

I hope all of you are as eager as am I to see these projects!

Judy Whittaker (Chair of Spring Challenge 2020)
