

# WATERCOLOR SKETCHING ON FABRIC

Instructor – Joyce Grande

FRIDAY, SEPTEMBER 29, 2023 9AM-4PM

## **Class Description**

This beginner friendly art quilting project is FUN and contagious. You won't be able to do just one! The project is very forgiving, however, you will need basic free motion quilting knowledge. It is so much easier than quilting a quilt.

Patterns for the flowers or plants will be provided so there is no drawing. In addition to the patterns, other supplies are included.

Class fee - \$10
