Instructor – Pamela Becker

FRIDAY, OCTOBER 20, 2023 9AM-4PM

Class Description

This project was the winning entry in our 2023 Spring Challenge that has many possibilities as a quilted gift for the grands and a definite bestseller for our boutique at the 2025 Sew Wonderful Quilt Show. Make one for fun and one for the boutique!

A **smaller version** will be made for this class. A non-directional focal print works best for this project along with a white/cream fabric and a solid color/mini print. Kit options are detailed below and only 20 of each kit are available. This project involves zipper installation and requires straight-line quilting. Recommended for confident beginner.

Class fee - \$10
