

# Peace River Quilters' Guild, Inc Education Guidelines

---

1. Registration for upcoming classes will begin immediately after announcements or show and tell at each meeting. A completed registration form and payment are required at the time of sign-up. Registrations may be made by mail, sent to the Guild P.O. Box.
2. Payment in full, at the time of registration, is required for all workshops, whether In House faculty or visiting faculty. Kit fees, pattern fees, etc., are paid to the instructor the day of the class, not at sign-up time.
3. No refunds for student cancellations will be given within one week prior to a workshop, two weeks in the case of visiting faculty.
4. Cancellations will be back filled from a waiting list, in the event there is no waiting list, the canceling member will be encouraged to find a replacement for that space.
